QUALITY AND WARRANTY CERTIFICATE

The product benefits from warranty and free service for a period of 6 months from the date of purchase. During the warranty period, the buyer has the right to repair the product free of charge or replace the defective parts of the manufacturer's fault.

The warranty certificate will only be recognized if the following conditions have been met simultaneously:

- ✓ Keep the product at an optimum temperature of 18-23 ° C;
- ✓ Keep the product away from ultraviolet light;
- ✓ Keep the product in optimal conditions (on a solid surface, protected from injuries, protected from external factors);
- ✓ The product returned contains the following: (card, box, statuette with registration code);

The warranty is void if the above conditions are not met. The warranty is void if the product box has been damaged or the parts missing from the inside.

Warranty is lost if:

- ✓ Changes have been made on the product;
- ✓ In one way or another has intervened on the whole package.
